

## Neutrog Community Reference Panel

*September 2025*

Neutrog, with the support of local independent facilitation company DemocracyCo are setting up the Neutrog Community Reference Panel (the Panel).

The Panel will be facilitated by DemocracyCo facilitators using deliberative engagement methods which ensure constructive, respectful, and productive conversations. DemocracyCo are a local and independent community engagement company.

**You can find out more about the Panel and register your interest in participating on the DemocracyCo website [here](#).**

We hope you will be interested in being a representative on the Neutrog Community Reference Panel and we look forward to working with you if you are selected.
